

The City of Oxford
Downtown Oxford Economic
Development Corporation
Covid-19 Guidelines

Pre-Covid this event drew close to 15,000 people. To keep the public safe, The City of Oxford and the Downtown Oxford Economic Development Corporation require the following of ALL vendors participating.

- Vendors are recommended to wear face coverings throughout the event or maintain distancing
- Vendors must wear gloves when handling food and interacting with customers.
- Utensils should be disposable in nature and provided to customers individually. This includes straws, stirrers, napkins and cutlery.
- Vendors must clean and disinfect frequently touched surfaces such as pens, counters and hard surfaces.
- Vendors should place food and beverages on the table, counter or other surface rather than handing purchases directly to customers.
- Vendors must provide guides, such as tape on the ground and signs to ensure individuals remain at least 6 feet apart.
- Vendors must supply their own cleaning /disinfectant. It should be at least 70% isopropyl alcohol or EPA – approved disinfectant effective against SARS-Cov-2.
- Vendors must provide a hand sanitizing area for customers and encourage extra staff to manage the area.
- Vendors are encouraged to offer contactless POS such as PayPal, Apple Pay, Venmo or other cashless options—when available a 2nd designated cashier separate from those handling food or taste testing.

GUIDELINES FOR GIVING OUT SAMPLES

- ◆ **Staff member handling samples should have gloves and mask on**
- ◆ **Samples should be placed on trays and away from inventory and payment area.**
- ◆ **The staff member handling the samples should NOT handle transactions**

I have read and agree to all the above guidelines:
